BEHAVIOR MANAGEMENT POLICY

We believe that positive camp experiences strengthen and build each child's self-esteem. Camp staff are dedicated to providing your child with a creative and innovative program that will unique their interest and keep them enthused. We have fun, play fair and show respect for others and ourselves.

It is the goal of KidzGo to provide a healthy, safe and secure environment for all participants. KidzGo teaches the core values of honesty, respect, caring and responsibility.

Behavior Guidelines:

Children who attend camp are expected to follow the behavior guidelines and to interact appropriately in a group setting:

- We speak nicely and appropriately to one another
- We touch only what belongs to us
- We keep our hands and feet to ourselves
- We listen to our instructors and KidzGo staffs
- We stay within the designated boundaries

When a child does not follow the behavior guidelines, we take the following steps:

1. Start directing the child to a more appropriate behavior
2. The child is reminded of the behavior guidelines and rules, and a discussion will take place to identify why this behavior may be happening and how we can support the camper to understand the behavior guidelines.
3. If the behavior persists, a parent will be notified of the concern.
4. Staff will document this situation to include, what the behavior problem is, what provoked the problem, and the corrective action taken.
5. Staff notify their program supervisor
6. Staff schedules a progress check or a follow-up conference with the camper and parent to identify an action plan.

7. If the problem persists and a child continues to disrupt the program, KidzGo reserves the right to suspend a child from the program. Expulsion from the program will be considered in extreme situations.

The following behaviors are not acceptable and may result in immediate removal of a participant for the remainder of the current program day, week or possibly the entire summer:

- Endangering the health and safety of children/or staff.
- Stealing or damaging KidzGo or personal property.
- Leaving the program without permission.
- Refusing to follow the behavior guidelines or rules.
- Using profanity, vulgarity or obscenity frequently.
